PROFESSIONAL SUMMARY

Software developer focused on building responsive, user-friendly web applications with React.js, TypeScript, JavaScript, Next.js and Material UI. Completed a Software Engineer Internship at Pronttera, gaining practical exposure to frontend and backend development tasks, API integration, debugging and testing.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript, HTML5, CSS3, Material UI (MUI)
Backend & Data: Core Java, REST API integration, MySQL, Firebase
Tools: Git, GitHub, Vite, VS Code, IntelliJ IDEA
Core Concepts: Responsive design, state management, component-based architecture, debugging

EXPERIENCE

Software Engineer Intern — Pronttera | *July 2026 – October 2026*

- Worked on frontend development using React.js, TypeScript and Material UI.
- Gained practical exposure to Next.js and modern web development practices.
- Assisted with frontend and backend development tasks, API integration and database-related operations.
- Contributed to debugging, testing and writing clean, maintainable and reusable code.

PROJECTS

TaskFlow — AI-Powered Task Management Application

- Built a task management application with task organization and drag-and-drop functionality.
- Integrated an AI assistant to help prioritize tasks and break complex tasks into smaller steps.
- Used Material UI and Firebase; deployed the application on Vercel.

Technologies: React.js, TypeScript, Material UI, Firebase, Gemini API, Zustand

GameHub — Gaming Platform

- Built a React-based gaming platform bringing multiple mini-games into one interactive interface.
- Created reusable components and responsive layouts using Vite.

Technologies: React.js, JavaScript, HTML5, CSS3, Vite

MUI Admin Dashboard

- Developed a responsive admin dashboard with analytics cards and revenue insights.
- Implemented a collapsible sidebar and reusable UI components.

Technologies: React.js, Material UI, JavaScript, Vite

EDUCATION

B.Tech — Information Technology | Ajay Kumar Garg Engineering College, Ghaziabad | 2023–2026 | 6.8CGPA

Diploma — Information Technology | Mahamaya Polytechnic of Information Technology, Chandauli | 2020–2023 | 74%

Class X — CBSE | Shams National School, Ghazipur, Uttar Pradesh | 2020 | 64.4%

PROFESSIONAL STRENGTHS

- Problem-solving
- Quick learning
- Team collaboration
